Section 511 of the Quality Housing and Work Responsibility Act (QHWRA) of 1998 created the public housing agency five (5) year and annual plan requirement. The five-year plan describes the mission of the agency and the agency's long-range goals and objectives for achieving its mission over a five-year period, and their approach to managing programs and providing services for the upcoming year. THE PHA Plan also serves as the annual application for grants to support improvements to public housing buildings (Capital Fund Program) and safety in public housing (Public Housing Drug Elimination Program).
