A MESSAGE FROM

Dr. Jackie L. Newman

CHIEF EXECUTIVE OFFICER

Remain Focused During Times of Uncertainty

There is a phrase that rings true that says: “just like seasons change, so does the times in which we live”. Similar to nature and gradual shifts we are experiencing as Summer slips away and we transition to Autumn – the same is true of how Housing Authorities are learning to operate in this season, gradually shifting. We feel your anxiety. We have received your calls. We have read your e-mails regarding information you have been hearing on the news and seeing on social media outlets regarding Affordable Housing Programs; Voucher programs and overall budget cuts to funding and safety net services. Let me encourage you by saying. “Don’t Panic”. I know, it’s easier said than done.

Since January 2025, there have been executive orders issued from Washington, DC, impacting the Department of Housing and Urban Development. These Executive Orders focus on policy shifts, homelessness, safety net services, fair housing stances and overall operations. The social media posts regarding consolidating major rental assistance programs, placing time limits on programs like the Housing Choice Voucher Program and block granting the Public Housing Program into a State Block Grant system are concepts/proposals without distinct guidance or particular regulatory guidance from the Department of Housing and Urban Development. Please know, the Springfield Housing Authority and other affordable housing associations and community development organizations are doing our very best to stay informed, advocate with elected officials and minimize disruption to housing services. The Springfield Housing Authority’s message to our families and private landlords is continue to read, educate yourself and advocate on your own behalf.

Life is not static. I firmly believe that during uncertain times one can learn valuable lessons, make progress and develop; which can lead to growth and even lead to new beginnings. It’s during uncertain times that we discover our true resilience and we learn the depth of our capabilities and resolve.

The Springfield Housing Authority looks towards the future with optimism and we look forward to continuing to carry out our vision of: “Changing Lives. . . . One Key at a Time”.

Stay Tuned to the SHA Times!!

FAMILY SELF SUFFICIENCY

Did you know that SHA has a Self-Sufficiency Programs (SSP) Team made up of coaches trained to help you take the next steps in education, employment, homeownership readiness, and economic self-sufficiency?

- They inspire you to reach your dreams.
- They hold you accountable with kindness, gentleness, and compassion.
- They help you identify and harness your potential.
- They support you when things are difficult and guide you toward the path to success.
- They connect you to the resources you need to thrive.
- They believe in you – every step of the way.

Would you like to know more about how a Self-Sufficiency Programs coach can encourage you?

Don't wait to connect – call or email Sarah:

ROSS AND HOMEOWNERSHIP PROGRAMS

READ ON FOR WHAT'S HAPPENING ON THE SSP TEAM

Resident Opportunities & Self-Sufficiency (ROSS):

SHA is so grateful to Adrienne Kipp for all of the resources she brought to the high-rise communities. With deep compassion, she made sure that each of you got your questions answered and your problems solved. She has accepted a new role with a partner organization that helps individuals better understand and take advantage of their health benefits. If you are a high-rise ROSS participant and need assistance while we are working to fill Adrienne's big shoes, please call 217.753.5757 Ext. 244 and we will do our best to help!

Homeownership:

With bittersweetness, we share that Ron Zumwalt, SHA's HUD-Certified Housing Counselor, has left his role at SHA and moved out of state. The good news? He got married and will be continuing to serve potential homebuyers in his new city. Congratulations, Ron! Don't you worry, though . . . a familiar face is sliding over from FSS into the role of Homeownership Coordinator. Welcome, Bridget Finn! We are pleased to announce that Bridget studied & recently passed the HUD Certified Housing Counseling Examination!! Way to go Bridget!!

SECTION 3 COMPLIANCE

Greetings,

I'm Lauren Gordon-Davis and I am Springfield Housing Authority's Section 3 Compliance Manager. Section 3 is a program designed to help SHA families and other eligible workers, obtain the skills and experience needed to build lasting careers in construction, carpentry, general maintenance, lawncare/lawscaping, and so much more.

Section 3 requires, as housing developments are created, renovated, and maintained, that families in subsidized housing and other employment opportunities be provided through those projects.

The SHA encourages families to participate in building and updating the communities in which they live. The Section 3 program will help you obtain the skills and experiences needed to assist with SHA projects and create lasting careers.

The Section 3 Division hosted 7 informational sessions, with over 40 participants, this year. Section 3 is assisting SHA families with employment opportunities and will continue to do so.

If anyone is interested in a labor union apprenticeship, please call 217-753-5757 Ext. 315 or email laurend@sha1.org and we'll support that effort.

Thank you.

Ms. Lauren Gordon - Davis

The yard waste/leaf pick-up program is a 12-month, every-other-week collection program. Stickers are not required. The community is divided into two pick-up zones: North and South. Crews will alternate every other week in each “zone,” picking up yard waste. See the map and September schedule above.

- **North Zone:** North of South Grand Ave. and Old Jacksonville Rd. Including properties west of Veterans Parkway/north of Iles Avenue. (Green)
- **South Zone:** South of South Grand Ave. and Old Jacksonville Rd. Including residential properties around the lake. (Pink)

Reminders:

- Bags must be placed curbside by 6:00 a.m.
- Bags should not be placed on boulevards.
- To estimate when your yard waste will be picked up, crews work from west to east in each zone. An interactive map and pick-up schedule are available on the City’s website.

If you believe your bags/containers were missed, email:

Housing America Month

October is Housing America Month! Celebrate the critical role affordable housing programs play in building and sustaining healthy communities nationwide.

About Housing America Month

Housing America Month is a yearly celebration of affordable housing and those who provide it in their communities.

In 2007, NAHRO created the Housing America campaign and designated October as Housing America Month: a time for the organization and its members to collectively raise awareness of the need for, and the importance of, safe, decent, and affordable housing in quality communities. Each year, during Housing America Month, NAHRO members, including public housing agencies and community development organizations, host events (in-person or virtual) to showcase the important work they do year-round.

The Springfield Housing Authority looks forward to celebrating another year of providing safe, decent, and affordable housing for our community. Please review each informational section of this newsletter. Additionally, please provide us with your feedback by scanning the link on page 24 of this newsletter.

Memorial Health offers free breast exams for women over 40

Free breast cancer screenings will be available at Memorial Health hospitals in October. The screenings are for women age 40 and older who are uninsured or underinsured. The program is part of Memorial's annual Mammogram Mondays during Breast Cancer Awareness Month, according to a community announcement.

Appointments are required, and no walk-ins will be accepted. Educational materials will be provided, including information on breast health and self-exams. According to the announcement to schedule an appointment, individuals can call the respective hospital:

- Decatur Memorial Hospital Breast Center: 217-876-2320
- Jacksonville Memorial Hospital: 447-784-3585
- Lincoln Memorial Hospital: 217-605-5288
- Springfield Memorial Hospital: 217-757-4211
- Taylorville Memorial Hospital: 217-707-5550

The American College of Radiology and Society of Breast Imaging recommend that women 40 and older have screening mammograms annually. Breast cancer is the second leading cause of cancer death among women in the United States. Early detection is key, according to the announcement.

The screenings are funded by the respective hospital foundations
